1. The vehicles supplied should be preferably in the name of Tenderer.

2. The contract will kept valid for a period of one year, which is extendable for one more year subject to satisfactory services during the first year of the contract.

3. The number of vehicles required will depend on the actual requirement keeping in view the visits and field tours of our concerned officers. The requirements may increase or decrease depending upon the actual need. The vehicle(s) to be deployed for providing the services must be in very good condition and the drivers to be deployed must have valid license for driving vehicles to hill areas also.

4. Vehicle logbook supplied by IIRS shall be maintained for each of the vehicles by the drivers for the duties performed. Entries should be correct and each entry should be got signed by the concerned IIRS official/user duly indicating opening and closing kilometers with timings for using the vehicles. No payment will be made for the trips not signed by IIRS officials/authorized persons.

5. The maximum lead mileage (Garage to reporting place and terminating place to Garage) per day allowed is 10 kilometers or actual, whichever is less. The total kilometers run by the vehicle will be calculated from the logbook, however, the decision of IIRS will be final to arrive at the correct mileage.

6. Vehicies deployed should be in good running condition and should have valid current comprehensive insurance and road tax coverage, permit etc. (copies of the same are to be made available along with the vehicles).

7. In case of failure of the contracted vehicle, a suitable substitute vehicle of same type and seating capacity shall be deployed immediately. No payment will be paid for the idle time when vehicle is unfit to ply.

8. Contractor should keep the vehicles in neat, clean and good running condition. The seats should be covered with neat seat covers made of cloth. The contractor should carry out the periodical maintenance of the vehicles possessed / held by him and ensure that vehicles always are maintained in good condition and maximum hygiene.

9. The contractor should obtain prior approval of the In-charge, Transport, IIRS before changing the vehicle and driver for any reasons.

10. Other state taxes, parking charges etc., if any, will be borne by the contractor, which will be reimbursed along with the bill on production of original receipt of other State tax, parking bill etc.
11. Any increase / decrease in the cost of fuel will be considered by IIRS as and when the fuel prices increase / decrease after awarding the contract.

The rate will be revised as per the rate of extra premium or HSD available on the day of commencement of contract.

12. The contractor should arrange to verify the character and antecedents of the drivers with the concerned local Police Station Authorities before they are deployed in IIRS for duty and obtain a certificate to that effect from the Police Station in respect of each of the drivers and provide the same to IIRS. Any unforeseen incidents in this connection will be the responsibility of contractor only.

13. The Transport Contractor should maintain all registers and records under Motor Transport Workers Act, 1961 and comply with the rules made thereunder, including other statutory obligations applicable to him / them as a Transport Contractor.

14. The drivers deployed must be of good health, well mannered, well behaved, even tempered and should have minimum VIIIth standard qualification and should perform the duties entrusted to him properly. They must possess valid driving license with badge at all times and should observe all traffic rules. They should not consume alcohols/drugs while driving and during interval periods. They should also keep away from smoking, using of mobile phones etc., while driving.

15. The drivers must always wear Uniform while on duty, and should adhere to all Traffic Regulations while driving the vehicle. They should not expect food or beverages or lodging from the users. They have to arrange lodges at their own expenses, at locations almost nearby, where the users are staying.

16. The contractor should provide a cell phone to each of the drivers of the vehicles and the contact numbers to be intimated to IIRS Administration.

17. In case of any strike or Bandh, civil commotions and other disturbances, the contractor shall make earnest efforts for plying the vehicles as usual and if any problem arises, the same should be intimated to Police / Transport Department Officials immediately and follow their instructions.

18. The contract can be terminated by giving two months notice in writing by either party. In case of breach of terms and conditions IIRS reserves the right to terminate the contract without giving any notice.

19. If contractor fails to observe the following, a penalty per vehicle per day will be imposed and deducted from the bill of the contractor on each of such occasions.

Contd......3/-
* Failure to provide a vehicle on any day : Rs. 2000/-
