**विषय/Sub : Expression of Interest (EOI) for Establishment of Smart Class Rooms with content recording and retrieval systems at IIRS Campus, Dehradun.**

**संदर्भ/Ref. : EOI No. : IIRS/CMD/EOI/01/2019-20, dated : 09.12.2019**

**प्रस्तावना/INTRODUCTION:**

Indian Institute of Remote Sensing (IIRS) under Indian Space Research Organisation, Department of Space, and Government of India is a premier Training and Educational Institute set up for developing trained professionals in the field of Remote Sensing, Geoinformatics and GPS Technology for Natural Resources, Environmental and Disaster Management.

IIRS is planning to modernize the existing class rooms with state of art smart class technology and looking for an End to End solution provider.

**परियोजना का संक्षिप्त विवरण/BRIEF SCOPE OF PROJECT:**

Design, engineering, integration, quality surveillance, supply, installation, testing and commissioning, performance testing of “**Smart Class Rooms with content recording and retrieval systems**” at IIRS campus, Dehradun.

Brief details of scope are as follows:

1. Designing and establishing state-of-Art Smart Class Rooms and with virtual class room features.
2. Content capture, streaming, recording and retrieval systems
3. Providing Audio and video mixing equipment with professional LED Displays / Projectors
4. Provision for Web streaming of recorded content and live streaming during live programs.
5. Comprehensive onsite warranty of minimum two years from the date of final commissioning.
6. Associated equipment viz., smart podiums, tele prompters, Document cameras etc.,
7. Comprehensive Annual maintenance contract (CAMC) including software updates for a minimum period of 5 years

## चयन प्रक्रिया/SELECTION PROCESS:

The selection process would be in following two steps.

- Step 1 : Short listing vendors based on documents submitted by the firm along with the expression of interest (EOI), in proof of satisfying all the eligibility conditions given above.
- Step 2 : Subsequent evaluation of shortlisted vendors through their technical presentation and visit to their executed projects to be evaluated by technical evaluation committee (TEC) of IIRS.

Only those firms who satisfy step 1 will be invited for the evaluation process under step 2. Only those firms who are finally short listed after step 2 will be qualified for further participation in the tender process.

Final Shortlisted vendors will be provided with full set of tender documents to furnish their tender proposal in two part Bid system i.e. Techno-commercial bid and Price bid.

## अभिरुचि पत्र प्रस्तुत करना/SUBMISSION OF EOI :

Firms meeting the above eligibility criteria and interested in participating shall submit their application along with all copies of all relevant documents (to establish their eligibility), to the **Head CMD, Indian Institute of Remote Sensing, 4-Kalidas Road, Dehradun-248001, Uttarakhand** in a sealed envelope superscribing “**EOI for Establishment Smart Class Rooms with content recording and retrieval systems at IIRS Campus, Dehradun**” so as to reach Head CMD, IIRS before **1600 hrs. on 3<sup>rd</sup> January, 2020**. IIRS reserves the right to reject any or all EOIs without assigning any reason thereof.
