भारतीय सुद्र संवेदन संस्थान/Indian Institute of Remote Sensing निर्माण एवं अनुरक्षण विभाग/Construction & Maintenance Division देहराद्न/Dehradun

Name of work : Special Structural repairs and developmental works (composite) at IIRS Campus, Dehradun.

NIT No. : IIRS/CMD/19/2015-16, dated : 20.11.2015

Special Conditions

(These Special conditions are in addition to the "General Conditions of Contract" of ISR/DOS which will be issued along with the tender document and shall become part of the agreement)

- 01. Special structural repairs are required for 45 years old intuitional building, hence the contractors shall possess experience in such repairs. Documentary proof and photographs shall be enclosed to the application.
- 02. Other developments works (Civil & Electrical composite works) consist of decorative, ornamental viz., face-lifting of old structures etc., are involved which needs specialized experience in such kind works.
- 03. This work is a 'Time bound work' and must be executed in all respects and up to the satisfaction of department within the period allowed in view of structural safety and also landmark location of the Institute.
- 04. In view of above, contractor shall execute & show progress on ground as per the execution plan/time schedules for which the following jobs/activities must be followed strictly:
 - a) Execution of works shall be started within 05 days from the date of issue of LOI/Work order.
 - b) One Sr. Civil engineer (B.Tech/BE(Civil) + not less than 06 years of experience) and 02 Civil engineers (Diploma engineers (civil) with minimum 3 years experience) shall be deployed 'full time' at our site from date of start till the handing over the site to us.
 - c) In order to ensure completion of all works with best quality and in time, contractor shall make all arrangements i.e. manpower, tools & tackles, scaffolding, machinery as required to work in 2 shifts i.e. 16 Hrs. per day.

- d) Apart from day to day progress works execution shall be reviewed on weekly basis by Head, CMD and if the contractor fails to meet the targets in two consecutive weeks, the contract is liable for cancellation for which the contractor will be solely responsible.
- e) Any major hindrance from department side in executing works shall be brought to notice to Head, CMD explicitly from time to time and same shall be cleared within 48 Hrs. by department.
- f) Daily site meeting with department engineers shall be organized to ensure scheduled progress of work with best engineering practices.
- 5) Due to constraints of space inside the campus, permission for establishing labour colony is not possible. Space for constructing site office + stores shall be provided free of cost.
- 6) Providing water and electricity on chargeable basis is subject to availability only.
