**Sub: Code of Conduct for participating in IIRS Academia Meet 2022- reg.**

The list of selected participants for IIRS Academia Meet 2022 is published in IIRS website. All participants are requested to follow code of conduct mentioned below for during the IIRS Academia Meet 2022:

- Participants have to attend the IAM-2022 event through the link (Microsoft Team link) provided by IIRS. The link and login credentials for attending the event shall be emailed on registered email-id.
- Participants are requested to switch off their video and mute themselves while attending the event. The video and audio should be switched on only when asked for by the organisers.
- All are requested to be in proper dress code for joining the event and during the online interaction.
- Participants can interact during the panel discussion through Audio / Video / Text mode.
- Participants are requested to be available online and ensure their attendance in the event. Only those participants who attend the event through the provided link will be eligible for event certificate by IIRS/ ISRO Dehradun
