

Dear Coordinator and Participants,

Examination of START Course on "**Overview of Space Science**" is **scheduled** from **17<sup>th</sup> August 2023 to 25<sup>th</sup> August 2023**. **There will be no exam on 19<sup>th</sup> & 20<sup>th</sup> August, 2023**

Participants of your institution can attend the exam **as per schedule only**. (Participants can see from their eligibility from URL: <https://eclass.iirs.gov.in/login>)

**Date of Examination: 17<sup>th</sup> August 2023 to 25<sup>th</sup> August 2023**

**Timings: 10:00 Hrs to 1500 Hrs**

**Total Marks: 50 Marks & 50 Questions (MCQ/True or False/Match the Followings/etc.)**

**Duration of Examination: 30 Minutes**

**Mode of Examination: ONLINE Only**

**Examination URL:** <https://elearning.iirs.gov.in/>

**Select as a participants**

**Username & Main login Password:** *Allotted to participants during registration, if they do not receive password they can reset from*

[https://elearning.iirs.gov.in/mdl/login/forgot\\_password.php](https://elearning.iirs.gov.in/mdl/login/forgot_password.php)

#### **Things 'to Do'**

1. Do check you have your Computer/ laptop power charged and plugged in to power Source
2. Do, check system configuration to be minimum of –
3. Operating System: Windows 7, 10
4. Internet speed: minimum 2mbps
5. Browser: Google chrome (for best experience).
6. Do, check you have the correct and valid Login ID and Password
7. Do, check proper Power supply

#### **Things 'Not to Do'**

1. Do not close the browser at any point from start of the Examination till your Examination is Submitted
2. Do not create virtual setup of screen mirroring or casting your screen.
3. Do not talk to anybody while taking the Examination.
4. Do not have anybody present with you while taking the Examination
5. Do not use your mobile phone or any other communication device during the course of the Examination.
6. Do not share your screen with anybody.

8. Do not take screenshots or video or photos of question to share with anyone or on social media channels.
9. Do not use try any unfair means to gain advantage in the Examination.
10. Do not try to use any other application other than Launcher on the system.
11. Do not Hit 'X' on top right corner to close the Launcher window.

## EXAMINATION PROCEDURE FOR PARTIIPCANTS

URL: <https://elearning.iirs.gov.in/>

The screenshot displays the homepage of the IIRS Outreach Programme. At the top, there's a navigation bar with various links. Below it, the 'About IIRS Outreach Programme' section describes the 'Live and Interactive classroom mode' and 'E-learning mode'. The main content area features a 'Welcome to IIRS Learning Management System' message. On the left, there's a 'Participant's Login' form with fields for email (dp@iirs.gov.in), password, and a captcha (73af3a). A blue arrow points from a callout box to the 'Participant's Login' button. The callout box contains the text: 'Click on **Participants login** and put your Username: Your Username (Registered Email id) & Password.' To the right of the login form, there are two sections: 'Chairman's Message' by Shri S. Somnath and 'Director's Message' by the Director of IIRS. Both sections include a 'Read more' link. The bottom of the page shows a Windows taskbar with the date 28-07-2023 and time 12:49.

About IIRS Outreach Programme

**Live and Interactive classroom mode:** Live & Interactive programme was initiated in the year 2007 with the participation of 12 universities in India using satellite based interactive terminal.

[Read more](#)

**E-learning mode:** The e-learning courses are self-paced and learner centric and targets professionals, academia and research community to enhance their knowledge in remote sensing and geospatial technology using online simulated learning contents.

Welcome Note

Dear Participants,

Welcome to the Indian Institute of Remote Sensing (IIRS) outreach E-Learning Education Programme. Further to welcome you to the course, we would like to give you some helpful information and a few hints to complete this course successfully. Indian Institute of Remote Sensing (IIRS) under Indian Space Research Organisation, Department of Space, Government of India is a premier Training, Educational and Research Institute established for developing trained professionals in the field of Remote Sensing, Geoinformatics and GNSS technology for Natural Resources, Environmental and Disaster Management. The Institute is offering programmes ranging from three days to two years. The Institute is also providing technology tools for the collection, storage and analysis of geospatial data. Planners and decision makers utilise geospatial technology for various applications such as agriculture, forestry, mining, market research and urban management.

Indian Institute of Remote Sensing (IIRS) has initiated its interactive distance education based capacity building training under IIRS outreach programme in the year 2007. Through this programme, over 10,000 students and researchers from 110 universities/institutes across the country have been trained in the field of geospatial technology. This was accomplished through ISRO's communication satellites, satellite interactive terminals and A-View software.

To further enhance the outreach of geospatial science and technology, IIRS is now introducing e-learning based certification course on 'Remote Sensing and Geo-information Science'. For some of you, this might be your first experience of taking up an online course. Online courses provide the learners an easy way to study and develop various skills. You have to maintain the same standards of excellence that are required in face-to-face courses. You will come to know that, as an online learner, self-motivation and discipline are very important. You are completely responsible for managing a regular and methodical study system.

We are offering eight basic level programmes in e-learning mode. They are: Image Statistics, Basics of Remote Sensing, Photogrammetry and Cartography, Digital Image Processing, Geographical Information System, Global Positioning System

Indian Institute of Remote Sensing  
Indian Space Research Organisation  
Department of Space, Govt. of India

Pattern and Type  
You are required to use the latest browsers (Preferably Firefox/ Chrome/ Opera); old versions of browsers are having problems with the exam system. Please follow the given instructions below.  
There will be 25 questions in the exam of standard duration 30 Minutes.  
Satellite Photogrammetry and Its Application consist of Total 25 MCQ's.  
Each Question carries 2 mark.  
Minimum passing mark is 20.  
No re-evaluation/ re-checking for online examination.  
The pattern of online examination is multiple-choice questions. Match the following. True or False etc...  
All questions are compulsory.  
If the exam stops in between before completion, please refresh the page/ restart the exam.  
Please note your marks in front of coordinator/instructor and get his/her signature in the sheet for your future reference.  
Do not press backspace button on keyboard during examination.  
Do not close the browser when the test is going on.  
There is no negative marking.

Disclaimer  
Coordinator/Individual Students taking up the exam is responsible for uninterrupted internet connectivity, power back up, and availability of computer system in working condition/availability/failure.

Attempts allowed: 1  
This quiz opened at Wednesday, 22 July 2020, 9:00 AM  
This exam will close at Wednesday, 22 July 2020, 4:00 PM  
To attempt this quiz you need to know the quiz password  
Time limit: 30 mins

Click on **Start exam**
