

## **Guidelines for the International Participant**

**Document No.** IIRS/DLP/CSSTEAP/Guidelines/Int.Participant/2025-4

Participants registered under the "International Course " category are expected to adhere to the following instructions:

1. **Registration and Selection:** Eligible candidates are requested to register online through IIRS website <https://isat.iirs.gov.in/isatcourse.php> only on or before the last date mentioned in the course brochure. Candidates are advised to fill their correct and active e-mail address in the application form, and check regularly for the communication from the Institute. All correspondence will be made by the Institute through email only. No separate communication will be made.

Selection of participants will be done based on the documents submitted at the time of registration. Finally selected candidates will receive login credentials for the ISRO-IIRS Space Applications Training (ISAT) Programme via <https://eclass-intl-lms.iirs.gov.in/login/index.php>. Candidates are requested to check their email (inbox as well as spam).

2. **Mode of Training:** The programme will be conducted online through live and interactive sessions as per the course schedule available on E-CLASS portal. Participants should attend the sessions live via **E-CLASS portal** <https://eclass-intl.iirs.gov.in>. Attendance of live sessions is mandatory which makes you eligible for awarding the course certificate.
3. **ISRO INTERNATIONAL E-CLASS LMS Features:** Upon logging into the ISRO E-CLASS LMS (<https://eclass-intl-lms.iirs.gov.in/login/index.php>), participants will have access to the following resources:
  - Course Guidelines & Announcements
  - Recorded Video Lectures
  - Attendance Tracking
  - Quiz / Assessment
  - Feedback Submission
  - Certificate Download
  - Discussion Forum
4. **Quiz Assessment:** Participants must complete the quiz available on the ISRO INTERNATIONAL E-CLASS LMS.
5. **Course Activity Monitoring:** The ISRO INTERNATIONAL E-CLASS LMS will monitor each participant's engagement under the metric "Course Dedication."
6. **Criteria for Dedication Tracking:** Course dedication will be evaluated based on:
  - Time spent viewing online/offline video content

- Participation and completion of quizzes / assessments
  - Involvement in discussion forums
  - Completion of course feedback
7. **Certification Eligibility:** A "Course Participation" certificate will be awarded to those who fulfill the minimum required training dedication hours.
  8. **Certificate Download:** The participation certificate will be available for direct download from the ISRO E-CLASS INTERNATIONAL LMS portal.
