

Dear Coordinator and Participants,

Examination of Course on "**: Geospatial technology formodelling of Urban Environment**" is scheduled on June **24 & 25, 2025**

Participants of your institution can attend the exam **as per schedule only.** (Participants can see from their eligibility from URL: <https://eclass.iirs.gov.in/login>)

Date of Examination: June **24 & 25, 2025.**

Timings: **10:00 Hrs to 1700 Hrs**

Total Marks: 25 Marks & 25 Questions (MCQ/True or False/Match the Followings/etc.)

Duration of Examination: 30 Minutes

Mode of Examination: ONLINE Only

Examination URL: <https://elearning.iirs.gov.in/>

Select as a participants

Username & Main login Password: *Allotted to participants during registration, if they do not receive password they can reset from https://elearning.iirs.gov.in/mdl/login/forgot_password.php*

Things ‘to Do’

1. Do check you have your Computer/ laptop power charged and plugged in to power Source
2. Do, check system configuration to be minimum of –
3. Operating System: Windows 7, 10
4. Internet speed: minimum 2mbps
5. Browser: Google chrome (for best experience).
6. Do, check you have the correct and valid Login ID and Password
7. Do, check proper Power supply

Things ‘Not to Do’

1. Do not close the browser at any point from start of the Examination till your Examination is Submitted
2. Do not create virtual setup of screen mirroring or casting your screen.
3. Do not talk to anybody while taking the Examination.
4. Do not have anybody present with you while taking the Examination
5. Do not use your mobile phone or any other communication device during the course of the Examination.
6. Do not share your screen with anybody.
7. Do not take screenshots or video or photos of question to share with anyone or on social media channels.
8. Do not use try any unfair means to gain advantage in the Examination.
9. Do not try to use any other application other than Launcher on the system.
10. Do not Hit ‘X’ on top right corner to close the Launcher window.

EXAMINATION PROCEDURE FOR PARTICIPANTS

STEP-1

URL: <https://elearning.iirs.gov.in/>

The screenshot shows the homepage of the IIRS Outreach Programme. At the top, there's a navigation bar with links like 'Gmail', 'Login', 'IIRS: IIRS Outreach...', 'Editing Assignment', 'Applications of Rem...', and 'Imported'. Below this, a section titled 'About IIRS Outreach Programme' describes the 'Live and Interactive classroom mode' and 'E-learning mode'. The main content area features a 'Welcome to IIRS Learning Management System' message. On the left, there's a 'Participant's Login' form with fields for 'Email' (dp@iirs.gov.in) and 'Password' (d29aa2), a 'Submit' button, and links for 'Forgot Password?' and 'Your Status'. To the right, there are portraits of 'Dr. V. Narayanan' (Secretary Department of Space, and Chairman, Space Commission/ISRO) and a 'Director's Message' section. A red arrow points from a callout box to the 'Participant's Login' form. The callout box contains the text: 'Click on **Participants login** and put your Username: Your Username (Registered Email id) & Password.'

STEP-2

Click on The Course: **Recent Trends in Ecological Modelling & Simulation**

The screenshot shows the IIRS e-learning portal. The top navigation bar includes 'Gmail', 'Login', 'IIRS: IIRS Outreach...', 'Editing Assignment', 'Applications of Rem...', and 'Imported'. The main header features the IIRS logo and the text 'INDIAN INSTITUTE OF REMOTE SENSING Indian Space Research Organisation Department of Space, Govt. of India'. The left sidebar contains a menu with 'Future of India's space exploration', 'Participants', 'Competencies', 'Grades', 'Dashboard', 'Site home', 'Calendar', 'Content bank', and 'Site administration'. The main content area displays the course 'Future of India's space exploration' with a 'Dashboard / Courses / Future of India's space exploration' breadcrumb. Below this, there's an 'Announcements' section for the course, detailing the examination schedule (06th, 07th, 10th, and 11th February 2025), duration (10:00 Hrs to 1:00 Hrs), total marks (50 Marks & 50 Questions), and examination URL (<https://elearning.iirs.gov.in/>). A 'Select as a participant' button is also visible. At the bottom, there are 'Things to Do' and 'Things Not to Do' sections with specific instructions for participants.

Welcome Note

Dear Participants,

Welcome to the Indian Institute of Remote Sensing (IIRS) outreach E-Learning Education Programme. Further to welcome you to the course, we would like to give you some helpful information and a few hints to complete this course successfully. Indian Institute of Remote Sensing (IIRS) under Indian Space Research Organisation, Department of Space, Government of India is a premier Training, Educational and Research Institute established for developing trained professionals in the field of Remote Sensing, Geoinformatics and GNSS technology for Natural Resources, Environmental and Disaster Management. The Institute is running many on-campus short and long term capacity building programmes ranging from three days to two year programmes. The remote sensing and geo-information science have become key technology tools for the collection, storage and analysis of spatially referenced data for resource planning and decision making. Planners and decision makers utilise geospatial technology such as agriculture, forestry, mining, market research and urban management.

Distance education based capacity building training under the programme, over 10,000 students and researchers from 110 countries have benefited from the use of geospatial technology. This was accomplished through the use of ISRO's communication satellites, satellite interactive terminals and A-View software.

To further enhance the outreach of geospatial science and technology, IIRS is now introducing e-learning based certification course on 'Remote Sensing and Geo-information Science'. For some of you, this might be your first experience of taking up an online course. Online courses provide the learners an easy way to study and develop various skills. You have to maintain the same standards of excellence that are required in face-to-face courses. You will come to know that, as an online learner, self-motivation and discipline are very important. You are completely responsible for managing a regular and methodical study system.

We are offering eight basic level programmes in e-learning mode. They are: Image Statistics, Basics of Remote Sensing, Photogrammetry and Cartography, Digital Image Processing, Geographical Information System, Global Positioning System, etc.

Pattern and Type

You are required to use the latest browsers (Preferably Firefox/Chrome/Opera), old versions of browsers are having problems with the exam system. Please follow the given instructions below.

There will be 25 questions in the exam of standard duration 30 Minutes.

Satellite Photogrammetry and its Application consist of Total 25 MCQ's.

Each Question carries 2 mark

Minimum passing mark is 20

No re-evaluation/ re-checking for online examination.

The pattern of online examination is multiple-choice questions. Match the following, True or False etc...

All questions are compulsory.

If the exam stops in between before completion, please refresh the page/ restart the exam.

Please note your marks in front of coordinator/in-charge and get his/her signature in the sheet for your future reference.

Do not press backspace button on keyboard during examination.

Do not close the browser when the test is going on.

There is no negative marking.

Disclaimer

Coordinator/Individual Students taking up the exam is responsible for uninterrupted internet connectivity, power back up, and availability of computer system in working condition during the examination(s). IIRS, Dehradun will not be responsible in the event of any such non availability/failure.

Attempts allowed: 1
