Faculty Associateship Program (FAP) for IIRS Alumni

Introduction

The program is aimed to provide opportunity to IIRS alumni (as defined under target participants) to interact and collaborate on practical oriented research problems of geospatial domain. Through this program, the IIRS alumni can interact & collaborate with IIRS faculty & can work in mutual areas of interest. Participants will get opportunity for scientific discussions and work for specific research problem at IIRS. Faculty Associateship Program (FAP) under 'Remote Sensing & GIS Technology and Applications' provides 'Associateship' opportunities to few willing IIRS alumni per year who want to discuss and carry out specific scientific work at IIRS.

Objectives

Awarding facilities to those IIRS alumni working in Indian Universities/ Institutes with limited expertise/facilities and having a strong pursuit to carry out research in Geospatial domain, and willing to collaborate with IIRS faculty in mutual areas of interest, and to work at IIRS for a maximum period of two weeks in a year.

Target participants

Faculty Associateship Program (FAP) is designed for IIRS alumni (M.Tech., M.Sc., PGD & NNRMS) and working as permanent/temporary Faculty/Scientist/Professional in University/ College/ Institute/ Laboratory within India and to provide them an opportunity to work at IIRS.

Number of Seats and Eligibility

Associateship is offered to willing IIRS alumni only (who have completed M.Tech., M.Sc., PGD & NNRMS course within last five years) and who want to discuss and carry out specific scientific work at IIRS. IIRS alumni should be permanent/temporary Faculty/Scientist/Professional working in a University/College/Institute/Laboratory within India. The applicant is again eligible to apply for FAP after a minimum of three (3) years upon availing and completion of FAP program.

Every year a maximum of fifteen (15) Faculty/Scientists/Professional from Indian University/College/Institute shall be accommodated for a maximum period of two weeks under FAP program. Once selected, he/she can visit IIRS for two weeks to enhance capabilities in Geospatial Technology and its Applications and to collaborate with IIRS faculty in mutual areas of interest. The selected candidate can visit IIRS for a maximum period of two weeks within that financial year (till 31 March) at a stretch or two visits of one-week duration each.

Course Fees

There is no course fees for the program. The selected candidates will be offered only one-time return fare limited to second AC train to visit IIRS. The expenditure towards remaining visit(s) to IIRS has to be borne by the candidate himself/herself (candidate can come to IIRS for a maximum 2 weeks' duration at a stretch or two visits of 1 week duration each in that financial year). IIRS Hostel accommodation will be provided and will be borne by IIRS. No other financial support, food charges, DA nor any other allowance shall be provided by IIRS to the selected candidate(s).

If the selected candidate does not avail the fellowship/visit to IIRS within the time schedule as issued in the admission letter (*i.e.*, till 31 March of that financial year), the admission to avail FAP will automatically be cancelled. The selected candidate can visit IIRS for a maximum period of two weeks within that financial year at a stretch or two visits of one-week duration each in that financial year (till 31 March).

Accommodation

IIRS Hostel accommodation will be provided to the program participant and the cost will be borne by IIRS. Participants can avail the hostel mess facility on payment basis. Accommodation will NOT be provided to the accompanying person/spouse/children/family nor they shall be accommodated in the same hostel room.
