

Dear Coordinator and Participants,

Examination of Course on "**Climate Change induced Disasters**" is scheduled **16<sup>th</sup> & 17<sup>th</sup> July 2026**.

Participants of your institution can attend the exam **as per schedule only**. (Participants can see from their eligibility from URL:

<https://eclass.iirs.gov.in/login>)

**Date of Examination: 16<sup>th</sup> & 17<sup>th</sup> July 2026. Timings: 10:00 Hrs to 1500 Hrs**

**Total Marks:** 30 Marks & 30 Questions (MCQ/True or False/Match the Followings/etc.)

Duration of Examination: 30 Minutes

**Mode of Examination:** ONLINE Only

**Examination URL:** <https://elearning.iirs.gov.in/>

**Select as a participants**

**Username & Main login Password:** *Allotted to participants during registration, if they do not receive password they can reset from* [https://elearning.iirs.gov.in/mdl/login/forgot\\_password.php](https://elearning.iirs.gov.in/mdl/login/forgot_password.php)

**Note:** Please note that the questions will appear in a sequential manner. Complete each question before proceeding to the next one.

#### **Things 'to Do'**

1. Do check you have your Computer/ laptop power charged and plugged in to power Source
2. Do, check system configuration to be minimum of –
3. Operating System: Windows 7, 10
4. Internet speed: minimum 2mbps
5. Browser: Google chrome (for best experience).
6. Do, check you have the correct and valid Login ID and Password
7. Do, check proper Power supply

#### **Things 'Not to Do'**

1. Do not close the browser at any point from start of the Examination till your Examination is Submitted
2. Do not create virtual setup of screen mirroring or casting your screen.
3. Do not talk to anybody while taking the Examination.
4. Do not have anybody present with you while taking the Examination
5. Do not use your mobile phone or any other communication device during the course of the Examination.
6. Do not share your screen with anybody.
7. Do not take screenshots or video or photos of question to share with anyone or on social media channels.
8. Do not use try any unfair means to gain advantage in the Examination.
9. Do not try to use any other application other than Launcher on the system.
10. Do not Hit 'X' on top right corner to close the Launcher window.

Welcome Note

Dear Participants,

Welcome to the Indian Institute of Remote Sensing (IIRS) outreach E-Learning Education Programme. Further to welcome you to the course, we would like to give you some helpful information and a few hints to complete this course successfully. Indian Institute of Remote Sensing (IIRS) under Indian Space Research Organisation, Department of Space, Government of India is a premier Training, Educational and Research Institute established for developing trained professionals in the field of Remote Sensing, Geoinformatics and GNSS technology for Natural Resources, Environmental and Disaster Management. The Institute is running many on-campus short and long term capacity building programmes ranging from three days to two year programmes. The remote sensing and geo-information science have become key technology tools for the collection, storage and analysis of spatially referenced data for resource planning and decision making. Planners and decision makers utilise geospatial technology such as agriculture, forestry, mining, market research and urban management.

Distance education based capacity building training under the programme, over 10,000 students and researchers from 110 countries have benefited from the use of geospatial technology. This was accomplished through the use of ISRO's communication satellites, satellite interactive terminals and A-View software.

To further enhance the outreach of geospatial science and technology, IIRS is now introducing e-learning based certification course on 'Remote Sensing and Geo-information Science'. For some of you, this might be your first experience of taking up an online course. Online courses provide the learners an easy way to study and develop various skills. You have to maintain the same standards of excellence that are required in face-to-face courses. You will come to know that, as an online learner, self-motivation and discipline are very important. You are completely responsible for managing a regular and methodical study system.

We are offering eight basic level programmes in e-learning mode. They are: Image Statistics, Basics of Remote Sensing, Photogrammetry and Cartography, Digital Image Processing, Geographical Information System, Global Positioning System, etc.

**Pattern and Type**

You are required to use the latest browsers (Preferably Firefox/Chrome/Opera), old versions of browsers are having problems with the exam system. Please follow the given instructions below:

There will be 25 questions in the exam of standard duration 30 Minutes.

Satellite Photogrammetry and its Application consist of Total 25 MCQ's.

Each Question carries 2 mark

Minimum passing mark is 20

No re-evaluation/ re-checking for online examination.

The pattern of online examination is multiple-choice questions. Match the following, True or False etc...

All questions are compulsory.

If the exam stops in between before completion, please refresh the page/ restart the exam.

Please note your marks in front of coordinator/in-charge and get his/her signature in the sheet for your future reference.

Do not press backspace button on keyboard during examination.

Do not close the browser when the test is going on.

There is no negative marking.

**Disclaimer**

Coordinator/Individual Students taking up the exam is responsible for uninterrupted internet connectivity, power back up, and availability of computer system in working condition during the examination(s). IIRS, Dehradun will not be responsible in the event of any such non availability/failure.

- Final grades will be displayed

The screenshot shows a web browser window with the URL `elearning.iirs.gov.in/mdl/mod/quiz/view.php?id=127`. The page displays a quiz titled "Mock TEST- Applications of RS & GIS for Natural...". The left sidebar contains a calendar of activities and a settings menu. The main content area shows the quiz details, including the number of questions (50), duration (1 hour), and passing marks (20%). It also lists instructions for the exam, such as not using backspace and not closing the browser. A table titled "Summary of your previous attempts" shows a single attempt with a grade of 2.00/4.00. Below the table, it states "No more attempts are allowed" and "Your final grade for this quiz is 2.00/4.00." A red arrow points from the "2.00" grade in the table to the final grade statement. At the bottom, there is a "Back to the course" button.
