

Annual Course Calendar IIRS Distance Learning Programme - 2018

S.No	Course	Tentative Time Slot	Starting date for online Registration	Duration	Course Director	Course Coordinator
1	Hyperspectral Remote Sensing and its Applications	February 19 – March 14, 2018	January 18, 2018	3 Weeks	Dr. Anil Kumar	Mr. Vinay Kumar
2	Geoinformatics for forest fire management	April 02-06, 2018	March 01, 2018	1 Week	Dr. S. K.Srivastav	Dr. Arijit Roy
3	RS & GIS applications in Water Resources	April 16-27, 2018	April 15, 2018	2 Week	Dr. S.P.Agarwal	Dr. Vaibhav Garg
4	Geospatial Modeling for Watershed Management	May 01-05, 2018	April 30, 2018	1 Week	Dr. Suresh Kumar	Mr. Justin George
5	Advanced Image Analysis	June 04-15, 2018	May 03, 2018	2 Weeks	Dr. Harish Karnatak	Dr. Poonam S. Tiwari
6	Geospatial Modeling and Applications for Urban and Regional Areas	July 09-20, 2018, 2018	June 08, 2018	2 Weeks	Dr. Pramod Kumar	Dr. Sandeep Maithani
7	Advanced Geospatial Modelling tools and techniques	July 30- August 03, 2018	June 29, 2018	1 week	Dr. Sameer Saran	Mr. A.K.Jha
8	Remote Sensing and Digital Image Analysis	August 20 - September 14, 2018	July 19, 2018	4 Weeks	Dr. S.K. Srivastav	Mrs Minakshi Kumar
9	Global Navigation Satellite System and Geographical Information System	September 17- October 26, 2018	August 16, 2018	6 Weeks	Dr. S.K. Srivastav	Mr. Ashutosh Bharadwaj and Mr. Prasun Gupta
10	RS & GIS Applications	October 29 – November 16, 2018	September 28, 2018	3 Weeks	Dr. S.K. Srivastav	Dr. Arijit Roy
11	Basics of “Remote Sensing, Geographical Information System and Global Navigation Satellite System	August 20 – November 16, 2018	July 19, 2018	13 Weeks	Dr. S.K. Srivastav	Dr. Poonam S. Tiwari

12	Remote Sensing in Crop Management / Agro-meteorology	December 03-07, 2018	November 02, 2018	1 Week	Dr. N.R.Patel	Mr. Abhishek Dhanodia
----	--	----------------------	-------------------	--------	---------------	-----------------------

Proposed full day workshop through Distance Learning Platform, 2018

S.No	Workshop Title	Tentative Time Slot	Duration	Focal Point
1	Hydrometrological Disaster Management	April, 2018	1 Day	Dr. Praveen Thakur
2.	Geo Spatial Technologies and Sendai framework for Disaster Risk Reduction	June, 2018	1 Day	Dr. C.M.Bhatt
3.	RS&GIS for preparation of Forest Working Plan	August, 2018	1 Day	Dr. Arijit Roy
4.	Crowd Sourcing and Participatory GIS	November, 2018	1 Day	Dr. Harish C. Karnatak
