

**Workshop on  
Microwave Remote Sensing in Agriculture  
28.03.2019, IIRS, Dehradun  
Programme**

- 10.00- 10.55: Microwave Remote Sensing Fundamental & Satellites  
Dr. Suresh Kumar, Group head, Agriculture and Soils Department
- 11.00-11.20: Tea break**
- 11.25-12.20: Microwave Remote Sensing Applications in Crop studies  
Dr. Dipanwita Haldar , Scientist, Agriculture and Soils Department
- 12.20-12.50: Passive Microwave applications in Agriculture  
Dr. Dipanwita Haldar , Scientist, Agriculture and Soils Department
- 13.00-14.10: Lunch break**
- 14.05-15.00: Microwave Remote Sensing Applications for Soil Moisture  
Dr. Hari Shanker Srivastava, Group Head, PPEG
- 15.05-15.55: PolSAR in Crop studies  
Dr. Dipanwita Haldar , Scientist, Agriculture and Soils Department
- 16.00-16.15: Tea break**
- 16.15-16.40: Interactive session with the faculty
