**Department of Space**  
**Indian Space Research Organisation**  
**Indian Institute of Remote Sensing**  
**No. 4, Kalidas Road, Dehradun-248001 (Uttarakhand)**

**Advertisement No. IIRS/P&GA/Estt./08**

**Dated: 29.06.2013**

Indian Institute of Remote Sensing (IIRS), a Unit of Indian Space Research Organisation (ISRO), is a premier institute for capacity building and research in the field of **remote sensing and geoinformatics**. The institute has a multi-disciplinary team and researchers on developing land-ocean-atmosphere applications and understanding Earth's surface and subsurface processes using primarily the space-based technologies. The research programmes are intricately linked to overall goal of ISRO and promote research excellence in satellite remote sensing and system studies. **IIRS invites applications for the posts of Scientists/Engineers-SC as detailed below:**

<b>Post No. 1</b>	<b>Scientist/Engineer-SC (Urban Planning)</b>
Essential Qualification	Master's degree in Urban & Regional Planning with basic qualification of graduate in Civil Engineering or Architecture from any recognized Indian University or College.
Desirable Qualification	Two years working experience after Master's degree in Urban & Regional Planning.
Job Description	Required to work in a multidisciplinary team and will be engaged in education, training and research and field investigation related to Urban & Regional planning using remote sensing data, Urban disaster and its implication on socio-economy and solid waste management.
<b>Post No. 2</b>	<b>Scientist/Engineer-SC (Agriculture &amp; Soils)</b>
Essential Qualification	Master's degree in Soil Science with B. Sc (Agriculture).
Desirable Qualification	Specialization in Pedology/Soil Physics and 2-3 years research experience on soil processes modeling.
Job Description	Required to work in a multidisciplinary team and will be engaged in education, training and research in soil processes modeling, soil quality assessment advanced areas of agriculture and soils related disciplines.

Please note that the candidates should have passed M. Sc. Degree in First Division with an aggregate of 65% marks (average of all semesters/years, as applicable) or CGPA/CPI grading of 6.5 on a 10 scale.

**Government strives to have a workforce which reflect gender balance and women candidates are encouraged to apply.**
